The carnage on Friday

These pictures taken after the carnage caused by the terrorists at Kolonnawa and Orugodawatte fuel storage facilities on Friday have captured the members of the security forces and the police who sacrificed their lives in combat against the terrorist group which infiltrated the city to execute their deadly mission, the blazing infernos and the public, panic stricken and fleeing, being brought to emergency shelters while the security forces evacuated the injured to the hospital. A number of the terrorist group were killed by the police and security forces. (Pix by Sri Lal Gomes)
