Dear Mr Alston

Apart from yr unethical approach to this issue by going before the press without contacting the State member of the UN -Sri Lanka- your conclusions and your ' experts version still falls below the required level as per the attached analysis. The step taken by you in 'collusion' with the supporters of the LTTE terrorism while completely ignoring the atrocities of the USA, UK and EU -western - forces leaves a very bad taste. Your mission will be defeated by the grateful Sri Lankan people for their liberation from the LTTE and Sri Lanka will be helped by her allies. With people like you UN will fail in the developing world.

Good hunting.
